

## Appendix

Our priorities are informed by Catholic teaching and our Jesuit heritage, and align with the UN Sustainable Development Goals. We will contribute to the achievement of these as shown below.

**Find solutions to remove barriers to inclusion and deliver meaningful social change.**

Relevant sustainable development goals:

**Build communities of justice by engaging and activating people and communities to effect positive change.**

Relevant sustainable development goals:

**Promote gender justice and provide leadership so boys and men can be their best selves.**

Relevant sustainable development goals:

**Ensure our people, practices and organisation reflect the diverse communities we live and work in.**

Relevant sustainable development goals:

**Measure and communicate our impact, ensure financial sustainability and improve execution against our plans.**
